Welcome Note

Welcome to the Victorian Eventer's Association Combined Training Day 2005. We are thrilled to have received record entries in 2005.

The Victorian Eventers Association (VEA) is an organisation open to all eventers within Victoria. VEA acts as both a representative for Victorian Eventers as well as a fundraising body to ensure the continuation of the sport.

Recent efforts include financial contributions of over \$14,000.00 to events/organisations within Victoria.

We could not run this event without the tremendous support from generous volunteers. On behalf of all Victorian competitors we would like to thank these volunteers for assisting in the running of this event.

Good luck we hope that you have a successful event!
